**MSH Chemical Manufacturing Limited**  
Shaw Road  
Dudley  
DY2 8TP  
England

A spray on alkaline oven cleaner designed for the cleaning of industrial and commercial ovens.

### FEATURES

**SPRAYABLE** Easy to apply

**EFFECTIVE** Combination of surfactants and caustic removes burnt on fats, greases and food residues.

**WATER BASED** Contains no harmful solvents.

### APPLICATION

Principally for cleaning ovens used by bars and restaurants.

### DIRECTIONS

Use as supplied. Warm the oven. Spray onto the areas requiring cleaning and allow to stand for a few minutes. Wipe off with a clean rag which should then be disposed of or immediately washed. Wipe the area with a clean damp cloth.

**CAUTION:** May etch glass, aluminium and enamelled surfaces.
