Pine Gel floor cleaner gives freshness to all floors and is an ideal general cleaning agent for normal manual cleaning. It removes scuff marks and can be buffed after use.

FEATURES

ACTIVE Contains pure terpene alcohol pine oil.

NON-DULLING Does not dull or remove polish film when used as directed.

FRESH Leaves the room with fresh pine aroma.

APPLICATION

Suitable for all sealed or impervious floors.

DIRECTIONS

Dilute with up to 100 parts of warm/hot water and apply with either a mop or squeegee.
