Dudley  
DY2 8TP  
England

A preformulated version of our M170/S solvent free hand soap incorporating Triclosan bacteriostat giving lasting germicidal protection.

### FEATURES

**SOLVENT FREE** Contains no natural or synthetic solvents.

**ECONOMICAL** Requires the use of remarkably little soap to achieve excellent results.

**BACTERISTATIC** Contains a medically approved bacteristatic material for additional protection against infections.

### DIRECTIONS

Apply to either dry or wet hands and rub gently to emulsify any oils and grease contamination on the skin. Rinse off under the tap.
