A paste hand cleaner particularly suitable for more difficult and specialised applications. Often preferred by painters for the removal of automotive spray paint from the hands.

### FEATURES

**BEADS** Contains polypropylene beads to give an effective yet non abrasive cleaning action.

**SOLVENT** contains natural citrus oil to assist cleaning.

**PASTE** The Soft paste is easy to apply to the hands.

### DIRECTIONS

Apply to dry hands and rub gently to emulsify any oils and paint contamination on the skin. Rinse off under the tap.
