Shaw Road  
Dudley  
DY2 8TP  
England

A multi-purpose cleaner concentrate suitable for general cleaning and degreasing in a wide range of industrial, commercial and institutional situations.

## FEATURES

**ACTIVE** Contains a powerful combination of solvent, surface active agents and detergents to give maximum cleansing performance.

**CUTS** through grease, grime and soil to give a thoroughly clean surface with economy in use.

**RESEARCH & DEVELOPMENT** Utilises the latest raw materials to minimise hazards in use and ecological risks whilst maintaining effectiveness.

## DIRECTIONS

For normal use by hand using cleaning cloth, mop or squeegee, 175G may be diluted with up to 20 parts of water. When used in combination with pressure washing equipment or other mechanical methods, a dilution rate of up to 100:1 may be used.
