M198 is a combination of windscreen cleaner and winter de-icer. Based upon an alcohol solvent, M198 is effective in removing traffic film, dirt and flies from windscreens.

### FEATURES

**CLEANS** effectively even at low concentrations

**RESIDUE FREE** The solvent produces little residue on drying.

**DE-ICES** M198 gives protection from freezing of wash bottle water and assists in screen de-icing.

### DIRECTIONS

For summer use, dilute 1 part M198 with 30 parts water and add to wash bottle

For winter use, dilute 1 part M198 to 3 parts water to give protection down to -8°C.
