**MSH Chemical Manufacturing Limited**  
Shaw Road  
Dudley  
DY2 8TP  
England

An extremely powerful paint and powder coating remover used in the refurbishment or in the recovery of reject work.

### FEATURES

**CLEANS** Strips away all old residues, grease, dirt and paint.

**EFFECTIVE** On Most single pack paints and coatings and many two pack materials.

**WATER SEAL** Add an integral water seal to reduce evaporation and drag out losses.

### APPLICATION

Primarily used for stripping hooks used in powder coating applications

### DIRECTIONS

Use as supplied in a cold soak tank. Ensure that components are fully immersed.

Not suitable for use on die cast zinc and zinc-containing alloys.
